Makeup Brushes

All of your face and eyeshadow brush essentials combined in to one capsule brush set to help complete any look.

Each brush is on a coated wooden handle with two tone bristles and shiny bronze ferrules for a premium and professional feel.

1 / All Over Face Brush

- Best for applying powder

2 / Angled Blush Brush

- Conforms easily to natural face contours. Great for blending and building blush, bronzer or contour.

3 / Base Colour Brush

- Great for gradually building layers of colour, use with powders.

4 / Eye Contour & Blending Brush

- Use to blend and build powders & creams

5 / Precision Eye Brush

- Great for precise application of product around eye area

6 / Eye Smudging Brush

- Good for precise smudging and blending

7 / Precision Lip Brush

- Tapered end for precise application of product
