## FSC

**Concept4** are FSC certified which means we follow the full chain from the forest to end users. Products have been checked at every stage of the processing. This allows our customers to use the FSC logo on products & packaging.

The Forest Stewardship Council promotes a more sustainable management of forests worldwide. Concrete actions are taken to train local communities to achieve environmentally sound yet socially and economically beneficial wood production.

## RSPO

**Concept 4** are now members of the Round Table on Sustainable Palm Oil (RSPO) so we can offer a range of different wax blends for our candles using sustainably sourced palm oil.

RSPO is a not-for-profit that unites stakeholders from the 7 sectors of the palm oil industry: palm oil producers, processors or traders, consumer goods manufacturers, retails, banks //investors, and environmental and social NGOs, to develop & implement global standards for sustainable palm oil.
